FOR THE ATTENTION OF THE PERSON WITH PARENTAL RESPONSIBILITY

RE ; YEAR 1 SUMMER TERM 2021 NEWSLETTER

We would just like to start this letter with how brilliantly your children have settled back into school since coming back from the Easter holidays.

YEAR 1 NOTICES

Hotter weather

Could you please send your child with a water bottle each day, making sure this bottle is clearly labelled (due to more than one child having the same bottles), along with all other belongings e.g. cardigans and jumpers. It is getting warmer now, so it is important that your child brings a water bottle each day and keeps hydrated. With the warmer weather getting nearer, we ask that your child has a sun hat or cap in school each day too especially on sunny days. Please ensure you apply sun cream before you bring your child to school. They will then be able to re-apply themselves once at school.

PE

Please can we ask that you send your children in P.E kit on their designated PE days which are **Monday and Thursday**. P.E kit should consist of t-shirt/top and tracksuit bottoms / shorts with trainers. Your child should wear their school jumper or cardigan with their P.E kit on these days.

Reading Challenge

Our 'In It To Win It' reading challenge is still ongoing. Please read with your child every day and make a note of this in their reading record. Your child does not have to have read a whole book, if your child has found a book difficult please keep this at home a little longer to practise the words they found difficult. Please send your child with their reading book, yellow reading record and yellow set 2/ set 3 sounds book each day. The member of staff welcoming the children into school will have a box at the door to collecting the children's books, please have these ready so they can put them straight in the box.

Homework

Homework will be sent out by Thursday each week and is due on Tuesdays. We try to give the children homework that backs up what we are working on within school. Please can you support your children where possible with their homework. Spellings go out each week as do practise words your child needs to know securely by the end of Year 1.

Other

We are so excited because we have a school trip planned to Stanley Head on the 23rd June. More information will follow in another letter.

Start and end of the school day

The start and the end of the day are still staggered according to class bubbles and only one person (over 11) may accompany or collect their child at the start/end of the day. They **MUST** wear a mask and adhere to our one-way system. Please continue to keep to these times and at a 2m distance from all other parents on the school playground as these restrictions and times are in place for everyone's safety.
