HEADTEACHER'S MESSAGE

Dear Parents, You should have received the staffing structure for next year last week where we are pleased to welcome Mr Nixon to our staffing team. Miss Abbotts will be leaving us in July and we must thank her for her hard work and dedication to St Anne's. We wish her and her new family well for the future. Miss Turner has started her maternity leave (a little earlier than expected!), and we are pleased to announce that she gave birth to a little baby boy, Benji last Wednesday. We wish Miss Turner and her family all the best. This week, reports will be issued and their will be an opportunity for parents and carers to discuss the reports with teachers at our drop-in Parents Evening next Monday 8th July, 3:30pm-5:30pm. We would also encourage you to drop in and introduce yourselves to next year's new teacher. There will be a more formal 'Meet The Teacher' session at the start of next academic year. Finally, I must say a huge thank you to our wonderful PTFA who ran Friday's Summer Fayre. The weather was again kind to us and we raised nearly £1000 for the school. However, I was concerned at the amount of children who wanted to through sponges at me in the stocks! Our new shaded (and quiet) area is now also fully open for children to spend time at break and lunch on the KS2 playground which is improving the experiences of break times for our pupils. Mr Hobson

TRACK and FIELD ATHLETICS

On Tuesday 16th June our athletics track team were in action. The event took place at Northwood stadium where children from years 3 to 6 took on 12 other schools from the Burslem area. Despite rules being changed and the St Anne's shuffle put on ice, the team came through admirably, finishing second in both track titles and finishing first in the boys relay. The overall trophy and field events were decided on Wednesday 26th June. The competitors put on one of our best field performances in years. Given our leading overall score from the track day, this should have been enough to reclaim the title of overall champions. However, an unbelievable performance from St Luke's meant we were just four points short. Well done children. We came away with the runners up award. Mrs Lovatt and myself will be putting together a plan to reclaim the overall trophy next year. A full list of finals' town champions and runners up will be issued in the next newsletter.

PRAYER

Dear God,
Father God, let us pray for all the children as they think about their changes to come. Let them find strength and friendship in their new schools and classes. Amen

CAREER ASPIRATIONS- OCCUPATIONAL THERAPY

We are firm believers at St Anne's that children should be prepared and have aspirations for future career prospects. We are very aware that children often do not have an awareness about what opportunities might be for them in future life. We are a partner of 'Inspiring Futures' which is a national provider who links schools with work places. We were very fortunate to learn last week what it was like to be an Occupational Therapist and Year 6 had a workshop on Occupational Therapy. Early feedback suggests that we might be inspiring the next generation in this field. We hope to have more visitors soon.

P.E. KITS - Please can all parents ensure that their child / children have their P.E. kits in school **every day of the week**. Indoor kit consists of dark shorts and a plain white t-shirt. Outdoor kit consists of a tracksuit and trainers.

KIDS CLUB - When booking your children into Kids' Club, whether it be before or after school, please could you book via School Money or if paying by vouchers notify Kids' Club by the Friday of the previous week what days your child will be attending. **Kids Club : 07855 639630**

LOCKDOWN PRACTICE

Last week we had a practice Lockdown (invasion test) Like we would practice Fire Evacuation tests it is important that we also practice an invasion should the need ever arise. Children were very mature and the test went extremely well.

YEAR 4 FOOTBALL FIXTURE

On Tuesday 25th June St Anne's Year 4 team played in a three team tournament. We hosted Sneyd Academy and Moor First school. The boys did the school proud, winning the first game against a useful Moor First 1:0. Moor First then lost to Sneyd Academy 2: 0. While in the last game of the round robin, 2 goals from T Durber and 1 from H Meakin enabled a 3:1 win over a very good Sneyd Academy. Well done to all the boys: L Machin, E Clewlow, B Cullen, M Tildsley, L Salt, H Barker, H Reade and C Keen.

GREEN GOBLIN GO-KART RACING

On Wednesday 19th June, some of Year 5 - the Overchargers (J McCue, A Lambert, A Boote, F Sherratt, J Gratton, D Lymer, J Jolley, E and I Tempest) - were lucky enough to compete in a racing event for Green Power in Seighford. For the past few weeks we have been designing, building and racing an electric go kart ready for this competition. We had no idea just how many other teams would be involved, and when we got there, we found out that there were 46 other cars competing from schools all over Staffordshire. This has been an excellent opportunity for us and we have really appreciated learning about engineering and experience what competitive racing is like. We would like to say a huge thank you to Mr McCue from Madeley High School and Kevin Ford and STEM for sponsoring us and providing us with The Overcharger, and for the PTFA for providing us with financial support.

K2M CONCERT

Year 3 were exceptional at the Victoria Hall on 27th June.

They sang and played musical instruments with other schools. A special well done to A. Mboya for her solo performance. Mrs Barnett was so proud and the children behaved impeccably.

CITY SWIMMING GALA

On Wednesday 26th June selected children from St Anne's were asked to compete on behalf of Burslem Town in the City swimming gala finals. The children did us proud with a number of City medals won. The Burslem boys' team finished city champions with the girls finishing second while overall Burslem finished joint first with Stoke. Results were as follows:

Event		Medal
Individual Medley Y5 (25m)	H Meakin	Gold
Breastroke Y5 (25m)	H Meakin	Gold
Breastroke Y6 (25m)	M Ashton	Bronze
Back crawl Y6 (25m)	L Pickering	Bronze
Medley Relay Y5 (25m)	N Verney	Silver
Freestyle Relay Y5 (50m)	H Meakin	Gold

DRUMMING WORKSHOPS

The drumming workshop was a big success, children in KS1 used Sammy the Spider and his friends to help them keep the rhythm. In Years 3 and 4 they focused on Samba blast and talked about Mardi Gras. Years 5 and 6 used Salsa as their inspiration.

Y6 BIKEABILITY

Y6 Bikeability - a national scheme designed to give skills and confidence to ride bikes on today's roads Well done to our Year 6 children who completed their Bikeability Level 2 on-road training. They were thoroughly worn out after working very hard in the heat, but all were still smiling at the end of it!

CANAL + RIVERS TRUST WATER SAFETY ASSEMBLY

On Tuesday 25th June 2019, Years 5 and 6 went to Etruria Industrial Museum to learn about animals and their habitats, along with canals which were linked to our Mountains and Rivers topic. We were split into 3 groups, one having a tour of the Flint kiln which was fascinating; one went fishing and the other went looking for habitats following clues. This was linked to the assembly about water safety and we had a brilliant day.
