

St. Anne's C.E. (VC) Primary School

"Making Learning a Life Long Friend"

in association with
Staffordshire University

Testimonials

Completing my schools direct PGCE with St. Anne's Primary School has been the most rewarding year of my entire life. When beginning the year I was certain I wanted to be a reception teacher, until I experienced teaching a fantastic Year 5 class and now, a year on I am a Year 5/6 teacher in a middle school within the consortium. St. Anne's gave me so much support and guidance throughout my PGCE I cannot thank them enough and I certainly wouldn't be in the job I am today without them. The experiences they provided were hands on and practical but were partnered with advice, encouragement and gave me the confidence to believe in myself as a teacher.

Hannah Riley

I began my School Direct journey at St. Anne's Primary School. Their strong sense of community was evident throughout my placement. They have a dedicated and friendly team who work hard to develop the independence and confidence of staff and students alike. The guidance provided by my experienced and supportive mentor laid the foundations for my career in the teaching profession. I am hugely grateful for my experiences at St. Anne's. They have played a key part in my successful completion of my School Direct course and my NQT year.
