RE : STANDON BOWERS JULY 2021

We have now received guidance from Staffordshire County Council, advised by the Government roadmap that the residential trip to Standon Bowers will be able to go ahead!

I refer you to this information from Staffordshire:

Entrust Outdoors Covid-19 Guarantee

For all of our customer visits in 2021 - new or pre-booked - we guarantee that if a booking is cancelled or cut short due to a COVID-19 related occurrence, that the customer will not be left at a financial disadvantage because of that occurrence.

There are a wide variety of situations this includes but the most common examples could include the following:

- Cancellation of the visit due to a change in Government Guidance.*
- Cancellation of the trip due to a lack of supporting school staff.*
- Cancellation/curtailing of a trip due to self -solation protocols before or during the visit for the group or individuals.*
- Cancellation/curtailing of the trip due to an occurrence relating to Entrust staff or facilities.*

If none of the above reasons are relevant, monies paid will be non-refundable.

The trip is due to take place on Monday 12th July to Friday 16th July. Firstly, please can you confirm by email to office@st-annes-brownedge.staffs.sch.uk if you still wish for your child to still attend Standon Bowers.

If you do still wish for your child to attend and have already paid your deposit, then the remaining balance is £155 which will be due by Monday, 24th May, 2021

If your child would now like to attend, but you have not paid a deposit then we would ask you to pay the deposit of £50 by Monday, 19th April and the balance of £155 by Monday, 24th May.

All monies should be paid for through School Money.

I will be holding a short information session for anyone who would like it via Teams on Tuesday, 20th April at 5.00pm.

Yours sincerely,

Miss A. Turner
